To Whom It May Concern:

RE: SECURE RESIDENTIAL FACILITY

A search of our records from 1995 indicate that there have been no incidents in Josephine County relating to residents of a secure residential facility harming citizens.

As many jails throughout Oregon have seen an increase in offenders with mental illnesses, the Hugo Hills Facility has proven to be an asset to this community. The facility is well managed and we have a good working relationship with staff.

If you have any questions or concerns feel free to contact me direct at (541) 474-5120.

Sincerely,
