To Whom It May Concern:

This purpose of this letter is to show my support for Columbia Care Services, Inc. and the PSRB program/facility that is located in Coos County.

There is a real need for the support of the mentally ill and Columbia Care Services has been providing much of that support. Coos County has a long working history with the two facilities that Columbia Care Services operates. The two facilities are the Coos Crisis Resolution Center in Coos Bay and the Cedar Bay resident treatment house in North Bend. In reviewing our records, there has not been any serious criminal activity as a result of these facilities being located in Coos County.

Columbia Care Services Inc. has been a great community partner in working with the mentally ill and I have found that the administrative staff has been easy to work with. They are committed to keeping the community and their clients safe. I feel that I have a good working relationship with Columbia Care Services Inc. and have been briefed on the operations of Cedar Bay. In my opinion, I believe the community is safe with this PSRB facility being managed under the current policies and procedures.

If you have any questions or concerns, please feel free to contact me at the number listed below.

Sincerely,

Sheriff Andy Jackson
